# Announcement

---

This sale marks the closing out of two good herds of Scotch Shorthorn cattle, both to be completely dispersed in one auction.

After a Shorthorn cattle breeding career covering more than forty years, **Allan Mathews** has decided to close out his good herd and retire from the farm. Shorthorns of modern type and backed by strong Scotch ancestry have been produced consistently in this herd and the annual produce has been sold privately or in prominent consignment sales. Always the calves produced by Allan Mathews have been in demand and those who have owned them attest that they have been profitable producers. A famous line of sires have been used in this herd. . . **Cumberland's Ideal**, bred by Frank O. Lowden, **Maxwalton Sovereign**, bred by Carpenter & Ross, **Thaxton's Aviator**, bred by James Brown, **Hiland Lad 2d**, bred by Blotz Bros., **Melbourne Rover**, bred by John Alexander & Sons, **Haylands Supreme**, bred by Hay Brown, **Sentinel**, bred by Jos Miller's Sons, and **Shore Acres Villager**, bred by Arnold Bros. At present, the red, 3-year-old **Midshipman Command**, a son of Shore Acres Command (Imp.) bred by Arnold Bros., is in service and he will sell in this sale along with a grand lot of his calves.

The herd owned by **William F. Brown** has been established during the past six years through purchases from prominent breeders in Illinois and Wisconsin. The owner selected his cattle carefully, always confining his purchases to those with strong Scotch ancestry and of thoroughly modern type. The herd has increased rapidly, and top productions have been provided for each of the major consignment sales held at Abingdon and Urbana during the past three years. A change in his farming operations causes Mr. Brown to completely disperse his herd at this time and a valuable collection will be sold to the highest bidders on November 13th. The present herd bull **Scottish Sultan**, a roan 2-year-old son of Sultan of Marellbar, will be sold along with many cows with lusty calves at foot sired by him. Sixteen very good cows and heifers will be included in the Brown dispersion and it should be remembered that they were top individuals selected from strong herds. All are young, rapid producers, liberal milkers, and all are offered in pasture condition.

HAL LONGLEY, Sale Manager, 37 Island Ave., Aurora, Illinois

Shorthorn cattle will convert grain and farm roughage into meat and milk more rapidly and more economically than any other breed. Why not start a good herd on your farm? This dispersion sale provides an excellent opportunity.
